## Church Administrators Inc

### **About CCAI**

#### **Introduction**

Administration is a spiritual gift (1 Corinthians 12:28). People who are gifted in church administration can bless a local church with their ability to be a liaison between the pastor, the congregation and the staff, with the spiritual integrity (Proverbs 11:3) that they are called to have. At Callington Church Administrators incorporated, we never lose sight of this.

That is why Callington is currently the sole registrar for Interdenominational Council (S.A.)

### **What we offer**

Church registrations, Incorporations and amendments.

Ensuring compliance of churches as well as church clergy through services such as registrations, facilitating the access to Higher learning Institutions that promote the appropriate field of study and qualifications for clergy as well as church members. As well as a mediation platform for churches that are members of the Interdenominational Council.

### **Why Callington Consulting?**

We are forerunners in our field. With over 17 years of experience, we can supply high quality service that is unsurpassed by any other registrar in South Africa. We efficiently and effectively handle each engagement. Our actions are our words...we do what we say, and we say what we do.
